

The image displays three retail packages of ZAP Z-Ends micro tubing connectors. Each package is made of clear plastic with a white header and footer. The top package is labeled 'PS-80' in the top right corner. The middle package is labeled 'Z-Ends' in the top right corner. The bottom package is labeled 'Z-Ends' in the top right corner. Each package contains several white, L-shaped micro tubing connectors. The packages are arranged in a row, with the middle package slightly offset to the right.

Inhalt: 10 Spitzen und 30cm Microdosierungsschlauch
